

## **2017 Engineering Faculty Professionalism Award**

The objectives of the **Engineering Faculty Professionalism Award** are to bring to the attention of all faculties those members who are licensed professional engineers at their university; to present registration in a positive light which should encourage faculty to work toward licensure and professionalism; and to benefit the students and the profession with the promotion of professionalism in the universities. LEF has two deserving recipients. The recipients of this year's awards are **Dr. Xiaoduan Sun**, University of Louisiana Lafayette, and **Norman D. Pumphrey**, Louisiana Tech University.

**The recipient for University of Louisiana Lafayette is Dr. Xiaoduan Sun.** She is a Registered Professor Engineer. Dr. Sun has many accomplishments in terms of scientific publications. She also has many research projects as well as numerous honors and awards.

**The recipient for Louisiana Tech University is Norman D. Pumphrey.** He is an Associate Professor; Civil Engineer/ Construction Engineer Technology. He has been the Program Chair in Construction Engineering Technology since 2014. He has done extensive work as CET Program Chair working with students and faculty to mentor and nurture them to be successful. He has also served as Director of the Bulldog Achievement Resource Center and been Program Chair for Civil Engineering.
