

Vincent A. Forte, P.E. President's Award

The Vincent A. Forte, P.E. President's Award is awarded annually by the Louisiana Engineering Society Baton Rouge Chapter to an engineer member of the Chapter, who has shown outstanding service to the engineering profession as well as the Baton Rouge Chapter. It is awarded by the Chapter Past President and typically presented at the annual E-Week Banquet. This award is named in honor of Vincent A. Forte, P.E., a distinguished member of the Baton Rouge Chapter whose dedication to the Chapter, the Society and the advancement of the profession is second to none.
