

Civil Engineer / Project Manager

Alexandria, Louisiana

Meyer, Meyer, LaCroix & Hixson, LLC is seeking a Civil Engineer for its Alexandria, Louisiana office. The position will include planning, developing, designing and managing various civil engineering projects with a focus on public infrastructure and utility type projects. Responsibilities will also include business development and building of client relationships for a variety of public and private sector clients throughout Louisiana.

The ideal candidate will have a B.S. degree in civil engineering or a closely related field, be licensed as a professional engineer (P.E.) in Louisiana, and have 4 to 10 years of experience in civil engineering, including project management experience. The position requires strong written and verbal communications skills and experience in working with a variety of clients. Qualifications also include strong leadership and problem-solving skills, familiarity with various civil design software packages, and familiarity with environmental and regulatory requirements. Experience in construction administration and public financing is a plus.

Interested candidates should submit a resume and cover letter to Meyer, Meyer, LaCroix & Hixson, Attention: Human Resources, 100 Engineer Place, Alexandria, LA 71303, or e-mail to employment@mmlh.com.

Meyer, Meyer, LaCroix & Hixson
