CRITERIA GOVERNING THE AWARD OF THE
LOUISIANA ENGINEERING SOCIETY
F. HUGH COUGHLIN YOUNG ENGINEER AWARD

The Louisiana Engineering Society F. Hugh Coughlin Young Engineer Award will be awarded as
conditions warrant, but not more often than annually, to an engineer not over thirty-five (35) years of age
who has demonstrated to a high degree capabilities in his chosen field of engineering, thereby indicating
potential for further advancement and leadership as a professional engineer.

The desire of the Society is not only to recognize the recipient but to encourage and inspire young
engineers with a desire to reach greater heights of professional achievement and service.

This award is named in honor of F. Hugh Coughlin, P.E., a distinguished member of the Society
from 1944 until his death in 1980. His interest and support of young engineers was instrumental in the
establishment of this award.

CRITERIA GOVERNING THE AWARD OF THE LUSIANA ENGINEERING SOCIETY FOR CIVIC ACTIVITIES
THE ANDREW M. LOCKETT AWARD

The Louisiana Engineering Society Andrew M. Lockett Civic Activities Award will be awarded as conditions warrant, but not more often than annually, for Distinguished Civic Service by an Engineer, in the interest of the Public, without compensation for those services.

The character and scope of the services rendered are the predominant criteria, rather than strictly engineering or scientific attaints.

The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the civic well being of their communities, parishes and the State of Louisiana.

The award is named in honor of Andrew M. Lockett, P.E., a distinguished member of the Society from 1900 until his death in 1945. Mr. Lockett was a strong advocate for engineers to get involved in civic activities.

CRITERIA GOVERNING THE AWARD OF THE
LOUISIANA ENGINEERING SOCIETY
JAMES M. TODD
TECHNOLOGICAL ACCOMPLISHMENT AWARD

The Louisiana Engineering Society James M. Todd Award will be awarded as conditions warrant, but not more often than annually, for Distinguished Service by an Engineer for Technological Advancement or Discoveries as contributions to the advancement of Engineering.

The purpose of honoring Engineers with this award is to encourage and inspire other engineers to reach even greater heights of professional achievement.

The award is named in honor of James M. Todd, P.E., President in 1930 and an active member of the Society until his death in 1971. Mr. Todd suggested the formation of an award for engineering ingenuity in 1950.

CRITERIA GOVERNING THE AWARD OF THE
LOUISIANA ENGINEERING SOCIETY
LEO M. ODOM
SERVICES TO THE PROFESSION AWARD

The Louisiana Engineering Society Leo M. Odom Award will be given as conditions warrant, but not more than annually, for Distinguished Service to the Engineering Profession in Louisiana by a registered Professional Engineer member of the Louisiana Engineering Society, over a period of long duration, in an unselfish manner and in keeping with the highest professional standards of conduct, including active participation and leadership in the technical societies as well as in this and other professional engineering groups.

The character, scope and duration of the services rendered are the predominant criteria, rather than strictly engineering or scientific attainments.

The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the advancement of the profession in its service to mankind.

The award is named in honor of Leo M. Odom, P.E., President of the Society in 1968, active member since 1942, and the award's first recipient.

The A. B. Paterson Award will be awarded as conditions warrant, but not more often than annually, for Distinguished Service in Management by an Engineer. Achievements in management rather than engineering or scientific attainments shall be the primary criteria for the selection of the recipient.

The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to greater effort in the field of Business Management.

The award is named in honor of A. B. Paterson, P.E., an active member of the Society from 1923 until his death in 1952. Mr. Paterson was an engineer, administrator, executive, banker, civic leader and humanitarian.

CRITERIA GOVERNING THE AWARD OF THE LOUISIANA ENGINEERING SOCIETY
CHARLES M. KERR
PUBLIC RELATIONS AWARD

The Charles M. Kerr Award will be awarded as conditions warrant, but not more often than annually, for Distinguished Service by an Engineer in Promotion of the Public Relations Program for the Engineering Profession in Louisiana.

The character and scope of the contributions to the Society's overall public relations program internally and/or externally is the predominant criteria, rather than strictly engineering accomplishments. Officers of the Society and members of the LES Public Relations Committee are not eligible for the award.

The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the Society's public relations program in their communities, parishes and the State of Louisiana.

The award is named in honor of Charles M. Kerr, P.E., President in 1954 and a member of the Society from 1912 until his death in 1964. Mr. Kerr was very active in the business world in promoting his chosen profession, engineering.

The Louisiana Engineering Society “National Professional Achievement” Award is named in honor of Thomas Dudley Hixson, P.E., P.L.S. (NSPE President 1993-1994), and Dr. Bobby Price, P.E., Ph.D. (NSPE President 2004-2005), two distinguished members of the society who served as presidents of LES and the National Society of Professional Engineers (NSPE).

**Purpose:**
The purpose of this Award is not only to recognize the recipient’s accomplishments and service to the engineering profession, but to encourage and inspire others to volunteer to service the Society and the Profession at the Chapter, State, Regional and National levels.

**Qualifications:**
1) The Nominee must be a registered Professional Engineer in the State of Louisiana for a minimum of ten (10) years.
2) The Nominee must be a member of the Louisiana Engineering Society (LES) and a member of one or more national level engineering related organizations for fifteen (15) years. (Examples of national level organizations include but are not limited to ASCE, ASEE, ASME, NCEES, NSPE, etc.)
3) The Nominee has served as an LES Chapter President or was a State Officer for two years. The Nominee has served as an Officer at the Regional and/or National level in one or more national level engineering related organizations.
4) The Nominee must be recommended by the LES President or any of the Society’s Past Presidents.
5) The Recipient of this Award is chosen by the LES Executive Board and not by the Honors and Awards Committee.
6) The Award will not be awarded more than once a year.

CRITERIA GOVERNING THE AWARD OF THE
LOUISIANA ENGINEERING SOCIETY
LIFETIME ACHIEVEMENT AWARD

A Lifetime Achievement Award may be made to a nominee having made significant contributions to the advancement of engineering and the objectives of the Society throughout his or her career. The nominee shall have acknowledged eminence in engineering or related sciences. Nominees shall be chosen only from members of the Society.

Ten total voting members of the Society are required to recommend the nominee. Five Past Society Presidents who are still members are required to support and attest to the qualifications of the nominee. All other living Past Presidents who are still members would then vote to confirm the nominee. If at least 80 percent affirmative votes of those Past Presidents voting within the specified time limit are received, the Board shall consider the nomination. The nominee shall be presented the award if at least 75 percent of the Board Members at the Board Meeting vote affirmative.

All living Honorary Members of the Society as of 1 February 1994, shall each be presented a Lifetime Achievement Award at the next Awards Meeting of the Society. These Honorary Members shall be reassigned to the appropriate membership category.

The NSPE Fellow Program is a national program intended to recognize deserving professional engineers who have demonstrated long term professional service at the chapter, state and national levels of NSPE. The NSPE Board of Directors established the Fellow recognition program to honor those licensed members who have demonstrated exemplary service to the profession, the Society, and the community.

Involvement in NSPE must include holding at least one elected office at the chapter, state, or national level and must also include service at the national level of NSPE in order for nominees to be considered. National level service can include a number of activities such as committee/task force chair or member. While it is desirable to have held an office at the National level, importance is placed on long term active involvement. The Council of Fellows Executive Committee endeavors to treat each nomination on its own merits and tries not to restrict itself by generating a list of activities that would qualify.

It is desirable that nominees exhibit continuing effort over years in NSPE Involvement, Professional Activities, and Community Involvement.

Honorary Membership

An Honorary Member shall be an individual, whose knowledge and accomplishments deserve special recognition for contributions to the licensed practice of professional engineering. An Honorary Member shall not have voting privileges, may not hold office, and shall be exempt from paying dues. An Honorary membership shall be awarded upon the approval of two-thirds of the Executive Committee. At no time shall there be more than ten living Honorary Members of NSPE. State Societies shall be permitted to offer a similar membership at the State Society level.
