## NOMINATING COMMITTEE

Section 1. The Nominating Committee shall consist of three representatives of the Board and the current Chapter Presidents.

The President shall appoint no later than one hundred eighty (180) calendar days before the end of the Administrative Year, three Past Presidents of the Society as the Board's representatives to the Nominating Committee, one of which will act as chairman. Each representative of the Board shall have one vote; each Chapter President shall have one vote for every two hundred chapter members, or part thereof, with chapter membership to be determined as of the close of the previous Administrative Year. The nominees of the committee shall be approved by a majority of those votes cast. No proxies or absentee ballots will be permitted. A quorum of the committee shall be seventy-five percent of the total possible votes.

Eligibility for nomination or election to a position as an elective officer of the Society shall be contingent upon appropriate Society membership. In addition to any eligibility requirements contained in the Constitution and Bylaws, the Nominating Committee shall consider additional qualities for the prospective candidates for state office. The Nominating Committee shall consider attendance at board meetings, participation in Board activities, character, and professionalism displayed in Board meeting and representing LES to the public. Being eligible to serve does not automatically qualify a candidate to be placed on the ballot for state wide elected office.

The Nominating Committee shall consider the following experience requirements for each of the elected offices.

**State Director:** Candidates for State Director shall have served on the State Board as a Chapter President or Practice Division Chair.

**Secretary/Treasurer:** Candidates for Secretary/Treasurer shall have served on the State Board as a State Director and as a Chapter President or a State Practice Division Chair.

**Second Vice-President:** Candidates for Second Vice-President shall have served on the State Board as State Secretary/Treasurer, as State Director and as a Chapter President or a State Practice Division Chair

**First Vice-President (President Elect):** Candidates for First Vice-President (President Elect) shall have served on the State Board as the State Second Vice-President, as State Secretary/Treasurer, as State Director and as a Chapter President or a State Practice Division Chair.

**NSPE Representative:** Candidates for NSPE Representative shall have served on the State Board as the State President, as State First Vice-President (President-Elect), as State Second Vice-President, as State Secretary/Treasurer, as State Director and as a Chapter President or a State Practice Division Chair.

On a case-by-case basis, the Nominating Committee, at its discretion, may choose to waive their experience requirements.

The Nominating Committee shall nominate the Officers (except President) and National and State Directors of the Society for the ensuing year. The First Vice-President shall be considered President-Elect and shall automatically become President in the year following his term as First Vice-President. Should the First Vice-President (President-Elect) be unable to assume the presidency, the Nominating Committee shall nominate a candidate for President.

The Chairman of the Nominating Committee shall report the names of the nominees to the Board not less than one hundred twenty (120) calendar days before the end of the Administrative Year. At any time prior to one hundred (100) calendar days before the end of the Administrative Year, additional nominations may be sent to the Secretary-Treasurer for any elective office for the ensuing year, consistent with requirements contained elsewhere in the Constitution and Bylaws. Each additional nomination must be accompanied by a petition signed by not less than five (5) percent of the voting members of the Society.

The name of any person nominated shall be withdrawn from nomination if found by the Board to be ineligible for the office for which nominated, or should a nominee decline such nomination, his name shall be withdrawn. The Board may fill any vacancies that may occur in the list of nominees up to the time the ballots are mailed.

The list of nominees shall be submitted to the membership by ballot at least seventy-five (75) calendar days before the end of the Administrative Year. Nominees added to the ballot by petition shall be denoted with "BY PETITION" on the ballot for the same office; if there are such additions, other nominees shall be denoted with "BY NOMINATING COMMITTEE" on the ballot.

Section 2. The Officers and Directors shall be elected from the membership of the Society by a plurality of the votes cast. The Officers shall serve a term of one Administrative Year and the National and State Directors two Administrative Years. The President shall be ineligible to succeed himself for that office.

If only one National Director is permitted, he shall be elected from among the Past Officers and Board members, and shall be a member of NSPE. He shall be elected for a two-year term and may succeed himself without limit. If two or more National Directors are permitted, the current President of the Society shall serve as the second National Director. Each of the other National Directors shall be elected and shall serve in the same manner as specified above for the first National Director.

An Officer or a Director will continue to serve in the office beyond the end of the elected term if necessary and until a successor is selected.
