

LES Annual Sponsorship Opportunities

With over a century of service, LES is the only active engineering organization in the State of Louisiana that serves all disciplines and every area of practice. LES can provide the networking helpful to any career and access to the advice of key professional leaders. LES also provides plenty of opportunities to obtain Professional Development Hours (PDH) throughout the year and hosts two conferences annually. LES is YOUR VOICE on the regulation of the practice of engineering in Louisiana through its liaison with the LA Professional Engineering and Land Surveying Board (LAPELS).

Position your firm to get the most marketing bang for your buck by becoming an LES State Sponsor. These annual sponsorships will include multiple sponsorship and advertising opportunities throughout the year including the Joint Engineering Societies Conference (JESC) and the Annual LES June Meeting, as well as having your logo displayed on our website and in the *Louisiana Engineer & Surveyor Journal*.

Your support helps shape today, and the future of our profession tomorrow.
